■ MUMBAI: Everyone wants to put their best face forward for their Valentine. And what god didn't give them; a doctor can, for a price, of course. Waking up to this mantra, Mumbai's women are turning to cosmetic surgery for a feel-good quick fix. And as a Valentine's Day gift, their better halves are footing the bill!

Says Dr Mohan Thomas, senior consultant, Breach Candy Hospital, "Requests for major cosmetic surgeries start in December or early January. The most common cosmetic work women get done for Valentine's are skin glow and lip-filler treatments."
