three lips with oomph!*

#### **Kareena Kapoor**

Kareena is the Angelina Jolie of Bollywood when it comes to having a perfect pout. She has the poutiest lips. They are outstanding! Her lips are the most distinctive feature of her face, they look enhanced and make a style statement. She has full lips, which look rather luscious. If you were to see four sets of lips, you can pick up Kareena's in a heartbeat. No wonder, even the West has been wooed by her pout.

#### **Angelina Jolie**

Worldwide, Angelina Jolie's known as the lady with the sexiest pout. When you look at her pout, it's not just the lips, but also the surrounding facial features that count. Angelina's lips stand out from the rest of her face. Her face is round and her lips cushioned. And then, she has a wide smile. Whether she smiles or her lips are at rest, they stand out. Her pout has become her trademark.

#### **Priyanka Chopra**

Priyanka has that naughty pout. And she knows the 'power of those pouty lips'. After all, she knows how to 'pout' after being a pageant queen and having been part of many international events. She has got a natural pout which is consistent and can make her a global star!
